Delegation Of 31 Witnesses Attend 4-Day Convention

James G. Zee, presiding minister of the Belle Glade congregation of Jehovah's Witnesses, headed a delegation of 31 members of the religious group that attended a four-day district convention at the Fairgrounds in Tampa this past weekend.

Zee said 10,715 delegates were on hand for the final session on Sunday. Karl A. Adams, convention chairman, spoke on the subject "When God Speaks Peace To All Nations."

The convention was the largest ever held in the city of Tampa and every available hotel and motel was taken in Tampa and St. Petersburg. Hundreds of delegates were accommodated in private homes.

"The most astounding news received at the convention," Zee said, "was relative to the Divine Will International Convention of Jehovah's Witnesses in New York City last summer."

"Mr. Adams told the convention that eighteen new congregations of Jehovah's Witnesses have been formed in New York during the past year. He attributed the tremendous growth directly to the convention held in that city," Zee said.

"The 1,000 Jehovah's Witnesses of Tampa congregations were instructed to call upon all interested persons in that city after the convention," he continued, "and aid them in their study of the Bible in their homes."

Zee said the highlight of the convention was a mass baptism held Saturday morning at Lake outside of Tampa. 263 persons declared their lives to ministerial service and embraced a new way of life. The witnesses believe that baptism is a symbol of dedication to God and the beginning of a life that will be exclusively devoted to preaching and teaching the Bible wherever they live.

BIBLE

...THOUGHT

NEGLECT IS RUINOUS

By Edward M. Straner

John 3:18, "He that believeth on Him is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only Begotten Son of God."

Neglect is enough to ruin a man. A man who is in business need not commit forgery or robbery, need not cut his throat to destroy himself, he has only to neglect his business and his ruin is certain. A man who is lying on a bed of sickness need not cut his throat to destroy himself, he has only to neglect the means of restoration to health, and he will be ruined. A man floating in a skiff above Niagara Falls need not move an oar, or make an effort to destroy himself; he has only to neglect using the oar at the proper time, and he will rush headlong to destruction over the falls.

Most of the calamities of life are caused by neglect. One may say, "Since I am not immoral, or a murderer, or a thief, I will be saved."

But Christ says in John 3:35, "He that believeth on the Son hath life, and he that believeth not the Son shall not see life; but the wrath of God abideth on him."

To reject Christ as your Saviour is to reject God.

The Epistle of Hebrews asks this unanswerable question: "How shall we escape if we neglect to get a salvation?" (Hebrews 2:3)

Sermon Topics

St. Peter's Lutheran Church "The Weapons of our Christian Warfare" will be the topic of the sermon to be delivered by the Rev. August Koerber Sunday, June 28, at 11 a. m.

Community Methodist Church, Rev. Lee D. Rustin, minister announces sermon topics for Sunday June 28. At the morning worship service his sermon will be "Whither America?" and at the evening service "It Is Hard to Move Against the Tide."

Churches Of Christ Scientist

How scientific understanding of God gives new inspiration and meaning to life will be a theme presented at Christian Science services Sunday.

Highlighting the Lesson-Sermon entitled "Christian Science" is the Golden Text from 1 Peter (1:25): "The word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity" (vol. 12:15).

Among the Bible passages will be this verse from Isaiah (50:4): "The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary; he wakeneth mine ear to hear as the learned."

Chevy Gives You Smarter Style Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices shows Chevrolet averaged up to \$125 more than comparable models of the other leading low-priced two.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated high-way speed stopping tests conducted by NACAA. No wonder, Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvair V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sizes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage on any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear: Chevy's front seat hip room is up to 6.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TRENDS magazine sums it up this way: "...the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!
